Per permettere ai lati del pezzo di aderire alla parete correttamente è necessario rasare lo spigolo di circa 10-12 mm.

To ensure perfect grip between the sides of the tile and the wall, the edge of the corner has to be smoothed off, taking off a layer measuring approximately 10-12 mm.

Pour permettre aux côtés de la pièce d'adhérer correctement au mur, il est nécessaire de raser l'arête d'environ 10-12 mm.

Damit die Seiten des Stücks perfekt an der Wand anliegen, muss die Kante ca. 10-12 mm abgeschliffen werden.

Для обеспечения правильного прилегания боковых поверхностей изделия к стене необходимо срезать угол прилбл. на 10-12 мм.
